### Application:

- **Application deadline is March 31, 2017.**
- Confirmations for participants will be sent by April 15, 2017.
- Applications will be accepted after the deadline until all categories are filled. Those applying after the deadline for a category that is filled will be put on a waiting list.
- **Three (3) photos of your product plus one (1) photo of your display set up are required when submitting the application. Photos must be emailed to the show coordinator at the above email. Applications without photos will not be considered by the committee. If you are a returning artisan/craftsperson from 2016 and your product is the same as last year, you do not need to submit photographs as we have them on file.**
- This is a juried show and artisans/craftsmen will be allowed to sell only handmade work by them. One medium per space. The committee reserves the right to limit the number of artisans/craftsmen per category.
- No refunds will be issued once accepted to the show.
- There is no grandfathering of categories or spaces. If you have done this show in the past, you still must submit a completed application, and there is no guarantee you will be accepted into this year's show.

### Displays:

- All artisans/craftsmen are responsible for any liability within their space and will need to be sure they have insurance coverage.
- Protection from wind and rain is strongly recommended.
- No tables or electricity will be available.
- Tables must be covered to the ground with cloth on all sides showing. Displays must be neat with no storage showing.
- You must stay within your space and not outside your display. There will be no encroaching on neighboring displays or open aisles.
- Displays must be set up on time and **remain open until 4:00 pm on Sunday**. Early breakdown will remove you from future shows.
