Bath Heritage Days Parade 2011

## HERITAGE DAYS PARADE RULES AND REGULATIONS

- The Parade Committee reserves the right to limit the number of entries in each category. Parade entrants must observe all applicable Rules and Regulations or be barred from the parade. Main Street Bath and the Heritage Days Parade Committee reserve the right to remove from the parade either prior to assembly, at assembly or at any time during the parade any entrant not conforming to the Rules and Regulations, or any entrant refusing to follow instructions of police or parade officials.
- Vehicles with just a business name and no other form of decoration will not be allowed. All entries and people must have either music, humor, entertainment, costumes, or be a sponsor. The parade is not a forum for overt commercialization. Classic cars do not need additional decoration.
- **Nothing may be thrown into the crowd. This includes candy, food, water guns, silly string, etc.**
- **Only Candy may be handed out by walkers – no handouts, letters, publicity, coupons or printed materials of any kind.**
- Parade volunteers designated by Main Street Bath will check entries the day of the parade to correspond with their registration form. Motorized entries must be properly licensed, registered, inspected if applicable, and have proof of insurance on the day of the parade. Decoration cannot impede driver vision. All entries will be reviewed and must be declared in compliance with the rules to join the parade.
- All units must be properly constructed to allow no chance of breakdown during the parade. In case any float breaks down, obtain help from parade officials to quickly push entry out of line of the march and over the curb. In the event a float develops a flat tire or for any other reason cannot proceed under its own power or be towed, get it off the parade route at the nearest intersection. All parade entries are to proceed around any such problem, and don't worry about being out of sequence – the parade must keep moving.
- No vehicles are allowed to park in the formation area unless part of an entry. Vehicles must park in designated areas.
- Entries must maintain steady movement of the parade with 20 to 30 feet between each entry. Floats or entries may not stop during the parade for any reason. Parade formation committee members will be stationed along the route and have the authority to regulate spacing and take care of any problems that develop. Your cooperation with them will be appreciated.
- An adult must be on floats where there are children. The ratio of adults to children should be 1:5 for children below the age of 16. Children riding in back of pickup trucks must be seated at all times behind rails or sides of the truck. Trucks must have closed tailgates or enclosed backs. No parade participant may ride with feet hanging over the side of the entry.
- The use and/or possession of any alcoholic beverage or illegal drugs by any unit/entry or participating member is strictly forbidden.

- No smoking on or near floats. There must be someone capable of driving attending the float at all times.
- All parade entries containing horses or other animals must have designated "Waste Pick-Up People" or "Pooper Scoopers" following closely behind with a shovel and bucket/wagon to quickly pick up piles on the street. Entries that do not have this type of a person will not be allowed to enter the parade. These units/people should be decorated as well, and will be judged on creativity, not skill! Animals must also be decorated and be under handler's control.
- Specify if you wish to use your siren or horn so that we don't place you near any animals.
- **The parade formation and staging area is at the Bath Middle School. All parade entries must have their designated rep check in at the registration table in order to receive your number. (Be sure you inform your group of your parade line-up number when you receive it in the mail.) After checking in at the registration table, (limit the contact to one or two people, please) you and your parade entry must remain in the designated parade area as some entries will be judged prior to the parade. Bathrooms will be available at various sites along the Parade Route. Please observe the Location Sign of the available restrooms at the Registration Table & convey this information to your fellow participants.**
- There will be shuttle transportation available at the end of the parade for those that need a ride back to the parade line-up site. Please let the Parade Committee know if your entry will need a ride with your return registration packet clearly marked **RIDE**.
