Thank you for your consideration in sponsoring the 47th Annual Bath Heritage Days & Music Festival.

It is your funding that helps make Heritage Days the Best Festival in Maine!

Main Street Bath is pleased to announce that our 15th year of coordinating Bath Heritage Days is well under way, and this year's program is shaping up to be one of the best yet! This year we will be providing fun activities citywide for four days thanks to the hard work of many volunteers. What's really exciting this year is our enriched focus on the Music Festival, with over 30 bands coming.

While many of us are not able to volunteer personal time to Heritage Days, there are still ways in which you may participate such as showing your support and generosity by choosing to be a sponsor.

Why we rely on sponsors?

- ▶ Help fund the many FREE community activities all around the city.
- ▶ Help with the numerous operational costs to put on this huge event.
- ▶ Help fund the largest FREE Music Festival in Maine.
- ▶ Help us keep it Fun, Safe, Clean, and Environmental for everyone.

Sponsorship levels for your consideration:

- ▶ Friend of Heritage Days: \$50-\$99
- ▶ Bronze: \$100-\$249
- ▶ Silver: \$250-\$499
- ▶ Gold: \$500-\$1000
- ▶ Platinum: \$1000 +

See attached for sponsorship level benefits.

We thank you for your time, consideration and generosity in helping us make Bath Heritage Days 2019 the best yet! Please use the attached Donation Form to pay by check, or donate online at:
